TECHNICAL EXHIBIT 2: GOVERNMENT FURNISHED EQUIPMENT (GFE)

[illegible]

NOTE: Within seven days prior to the start of the performance period, the service provider will inventory the Government Furnished Equipment (GFE) to be made available. The service provider shall have the option of accepting all, a portion, or none of the items inventoried. At the completion of the performance period, the service provider shall return the equipment to the Government. Except for day-to-day operations, GFE shall not be relocated or removed from FISC, unless approved in writing by the COR. However, the service provider may cross utilize the GFE among functions included under this contract.
